

新聞紙で約2m²を確保する場合

新聞のサイズ:横540mm、縦820mm

新聞紙6枚で約2m²を確保:5,6枚目は半分に折る
3m²を確保する場合は横に追加(9枚)

世帯間の通路確保も新聞紙を目安に 半面: 狹い410mm、広い520mm

520mm

410mm

520mm

The image shows a Japanese newspaper spread open to demonstrate its width. A red arrow points from the text "410mm" to the narrower section of the paper, which corresponds to the half-page width. Another red arrow points from the text "520mm" to the wider section, which corresponds to the full-page width. The newspaper includes various columns of text, some small images, and a large central photograph.
